Special COVID-19 Conditions of Hire

Issue date: 19th July 2021 Issue 1.0

Note: These conditions are supplemental to, not a replacement for, Yettington Village Hall's ordinary conditions of hire, which follow this section

1. You, the hirer, will be responsible for ensuring those attending your activity or event comply with any government COVID-19 guidelines in place at the time.

You will make sure that everyone likely to attend your activity or event understands that they **MUST NOT ATTEND** if they, or anyone in their household, has had COVID-19 symptoms in the last 7 days, and that, if they develop symptoms within 7 days of visiting the premises, they **MUST** use the Track and Trace system to alert others with whom they have been in contact. You must inform the Village Hall should this occur on **hallhire@yettingtonhall.co.uk**

2. Groups are advised to carry out their own risk assessment for using Yettington Village Hall.

3. You are advised to bring to the Hall a cleaning spray and cloth, or antiseptic wipes, for your use. On arrival at the Hall, you will be responsible for sanitising door handles, light switches, window catches, equipment, toilet handles and seats, wash basins, kitchen sinks and all surfaces likely to be touched during your period of hire, before other members of your group or organisation arrive. You will be required to sanitise again on leaving.

Please take care when cleaning electrical equipment and light switches: use cloths - do not spray!

4. You are advised to keep the premises well ventilated throughout your hire, with windows and doors open as far as convenient. You will be responsible for ensuring they are all securely closed on leaving.

5. You are advised, where possible, everyone attending maintains social distancing while in and around the premises and also when using more confined areas.

6. You are advised to position furniture or the arrangement of the room as far as possible to facilitate a safe space between each person.

7. You will be responsible for the collection and removal of all rubbish created during your hire, including tissues and cleaning cloths. Rubbish bags are provided to enable you to take your rubbish away with you.

8. You will be responsible, if drinks or food are made, for ensuring that all crockery and cutlery is washed and stowed away so as to reduce risk of contamination between hirers.

9. We will have the right to close the Hall if there are safety concerns relating to COVID-19, for example, if someone who has attended the Hall develops symptoms and thorough cleansing is required or if it is reported that the Special Hiring Conditions above are not being complied with, whether by you or by other hirers, or in the event that public buildings are asked or required to close again. If this is necessary, we will do our best to inform you promptly and you will not be charged for cancelled hirings.

10. In the event of someone becoming unwell with suspected Covid-19 symptoms while at the Hall, you should remove them to the designated safe area, which is the **DISABLED TOILET**.

If this occurs, the function in progress must end immediately.

Someone from your group must be designated to look after the ill person, to ensure that the ill person is seen safely home. The person taken ill must follow the current government guidelines for testing for Covid-19 and informing Track and Trace.

Inform the Booking Secretary of the occurrence on **hallhire@yettingtohall.co.uk**
